Skills

- Point of Sale Operation
- Upselling
- Meeting KPI's
- Working as a part of a team
- Digital literacy
- Familiarity with many aspects of computing, including: support, programming and hardware
- Excellent communication
- Time management
- Good attention to detail
- Thinking outside the box
- Problem Solving
- Adaptability

Education

High-school

Having excelled in 3 VCE units in practical IT and software development, I have a good base of knowledge in information technology.

Tafe

This is then reinforced with a Certificate III in Information, Digital Media and Technology. I undertook a specialist vocational program in 2013 in partnership with a game development company which gave me practical "hands-on" on how to apply computing skills in a work place environment.

University

I am currently in my second year of University at Deakin Burwood Campus. I am studying Bachelor of Information and Technology, Majoring in Programming.

About Me

Who am I

I am funny (in my opinion at-least), intelligent, tend to think laterally, solution oriented and I'm a team player. I aim to work to support myself, and if possible, angle my career into the IT industry, hobbies include: Spending quality time with my friends and close family, I enjoy learning about and working on Computers, Programming, Cars and Engines.
